Fax: (858) 467-4039

Under the direction of a Caltrans Maintenance Supervisor, the CT Equipment Operator II operates and services heavy equipment used in highway maintenance activities and works with the rest of the crew in performance of these activities. A Class A driver's license with tank vehicle (N) endorsement is required while performing duties associated with maintaining the State highway system. The incumbent will work individually or with a crew, and may occasionally oversee other crew members. Incumbent will be required to work overtime including nights and weekends, may be required to work temporary and/or intermittent varied work shifts, will be loaned to other field maintenance crews, and is expected to respond to emergency calls. This position is represented under collective bargaining.
